INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

Dear Sir:

On June 22, 2007, Applicant contacted the Examiner to discuss the above designated application. As evident from the record, a response to final office action was filed by the Applicants on February 28, 2007, which is within two months of the mailing date of the final office action sent December 28, 2006.

It appears from the discussion with the Examiner and Examiner's Supervisor Jeffrey Gaffin, that the present Application was allowed; however, no Notice of Allowability has yet been mailed by the U.S. Patent Office as of June 28, 2007. Applicants expressly note that they do not intend the present Application to be abandoned and continue to wait for the Notice of Allowability to be mailed.

Respectfully submitted,

Date: June 28, 2007
